

Certificate of Attendance

Delegate Name Kishan Mistry

GDC Number 277250

Course

Course Title DFT ALL SCHEMES - HEENW DFT Careers Day
(NW181210FABCLLVNPWWHN)

Course Date 10 December 2018

Course Venue MANDEC, Manchester

Development Outcomes A, B, C, D

Verifiable CPD Hours 4:30

Certificate Issued By HEE - North West

Certificate ID HEENW056284

Course Aims

The purpose of the conference is to inform the trainees what their options are by using experts in each of the career pathways being presented.

Applying for an associate position in Practice

- To look at recruitment to primary care associate positions

Working for a Corporate V independent practice

- To understand the differences between working in an independent practice as oppose to working in a corporate - the advantages and the disadvantages of each.

Academic Clinical Fellowship in Primary Care

- To describe the ACF in Primary Care Role
- To outline the benefits of the role
- To give insight form our experience...

Course Objectives

By the end of the conference, the trainee will be in a position to make an informed choice regarding their career pathway.

Applying for an associate position in Practice

- To consider the requirements of practice owners and prospective associate dentists to aid job application and successful recruitment

Working for a Corporate V independent practice

- Outline the advantages and disadvantages of working in either independent or corporate practice
- To understand which may work best for you depending on how you work
- Understand how you can progress working in either type of practice

Academic Clinical Fellowship in Primary Care

- Delegates will understand the ACF in Primary Care...

We confirm that the activity has been quality assured by HEE and that it meets the GDC's educational criteria for verifiable ECPD. This record is full and accurate.

Course Learning outcomes

Applying for an associate position in Practice

Delegates will:

- Have a good understanding what to look for in a primary care associate position
- Know what to consider before accepting an associate position
- Know how to apply for an associate post

Working for a Corporate V independent practice

Delegates will:

- understand the positives and negatives of different types of practices
- learn the differences in how these practices are run
- be able to make an informed decision post foundation training about what kind of practice may suit you better

A career in community Dentistry...

Reflection

Reflection is an important part of CPD and should form part of your personal development plan (PDP). Please use this page to reflect on what you have learnt, your experience and how it applies to your role. In particular consider:

1. What did you learn (or confirm) from the activity that was helpful or relevant to your daily work and patients?
2. Did you identify any changes/updates needed in your daily work? If so please give details.
3. How will you make these changes and by when?
4. How can you demonstrate that you have implemented these changes as a result of the course?
5. If you didn't identify any changes needed, what did the activity confirm for you, that you may already know or be doing?
6. What was the benefit to your work and/or your patients in carrying out this activity?
7. Do you feel that the activity met the General Dental Council's ECPD development outcomes? If not, please explain why.
8. Any other comments, thoughts or feelings?

Portfolio tips

Being aware of what I would like to go into

Better reflection

Through general reflection - continual improvement

It is important that you keep this certificate for your records - the General Dental Council (GDC) may request details of the courses you have attended. Please complete the reflection questions to comply with the GDC verifiable requirements.
