Certificate ID HEENW058405

Course Aims

- To demonstrate the advantages of using digital based restorative work.
- Understand material selection.

Course Objectives

- Show how easy digital work flow can be used and how it can aid all stages from planning to the final restoration. The main clinical advantages of using digital workflow for both the team as well as the patient.
- Have a clear understanding of all restorative materials available.
- Have an understanding of when to use materials for what cases.

We confirm that the activity has been quality assured by HEE and that it meets the GDC's educational criteria for verifiable ECPD. This record is full and accurate.

Course Learning outcomes

- To understand digital workflow and how it can be used in your practice.
- A clear understanding of material and restorative choices now available with digital.
- To be knowledgeable on material selection and understand the pro's and con's of each materials with regards the patients restorative work.

Reflection

Reflection is an important part of CPD and should form part of your personal development plan (PDP). Please use this page to reflect on what you have learnt, your experience and how it applies to your role. In particular consider:

1. What did you learn (or confirm) from the activity that was helpful or relevant to your daily work and patients?
2. Did you identify any changes/updates needed in your daily work? If so please give details.
3. How will you make these changes and by when?
4. How can you demonstrate that you have implemented these changes as a result of the course?
5. If you didn't identify any changes needed, what did the activity confirm for you, that you may already know or be doing?
6. What was the benefit to your work and/or your patients in carrying out this activity?
7. Do you feel that the activity met the General Dental Council's ECPD development outcomes? If not, please explain why.
8. Any other comments, thoughts or feelings?

It is important that you keep this certificate for your records - the General Dental Council (GDC) may request details of the courses you have attended. Please complete the reflection questions to comply with the GDC verifiable requirements.
