

Certificate of Attendance

Delegate Name Kishan Mistry

GDC Number 277250

Course

Course Title DFT Whiston - Orthodontics (NW190322FWHN)

Course Date 22 March 2019

Course Venue MANDEC, Manchester

Development Outcomes A, C, D

Verifiable CPD Hours 6

Certificate Issued By HEE - North West

Certificate ID HEENW057793

Course Aims

Using lectures, with numerous clearly documented and followed up case studies, as well as the use of digital diagnostic tools accessible to any Dentist- this will cover basic education in Ortho diagnosis record taking, planning and aesthetic, functional Dentistry.

Course Objectives

Simple Orthodontic assessment and diagnosis.

Know the protocols and planning of simple tooth alignment.

Understand the process of simultaneous tooth whitening.

Direct edge bonding for function and aesthetics.

Understand the practical use of ABB interceptive Restorative Dentistry.

Combined use of composites as a Restorative and interceptive occlusal treatment.

We confirm that the activity has been quality assured by HEE and that it meets the GDC's educational criteria for verifiable ECPD. This record is full and accurate.

Course Learning outcomes

Dentists will understand a simple safe and progressive process to improving function and aesthetics, without taking risks.

Dentists will understand the importance of correct Orthodontic assessments and creating a diagnosis.

Reflection

Reflection is an important part of CPD and should form part of your personal development plan (PDP). Please use this page to reflect on what you have learnt, your experience and how it applies to your role. In particular consider:

1. What did you learn (or confirm) from the activity that was helpful or relevant to your daily work and patients?
2. Did you identify any changes/updates needed in your daily work? If so please give details.
3. How will you make these changes and by when?
4. How can you demonstrate that you have implemented these changes as a result of the course?
5. If you didn't identify any changes needed, what did the activity confirm for you, that you may already know or be doing?
6. What was the benefit to your work and/or your patients in carrying out this activity?
7. Do you feel that the activity met the General Dental Council's ECPD development outcomes? If not, please explain why.
8. Any other comments, thoughts or feelings?

Know the protocols and planning of simple tooth alignment.

Understand the process of simultaneous tooth whitening.

Direct edge bonding for function and aesthetics.

Understand the practical use of ABB interceptive Restorative Dentistry.

Combined use of composites as a Restorative and interceptive occlusal treatment.

It is important that you keep this certificate for your records - the General Dental Council (GDC) may request details of the courses you have attended. Please complete the reflection questions to comply with the GDC verifiable requirements.
