Reflection

Reflection is an important part of CPD and should form part of your personal development plan (PDP). Please use this page to reflect on what you have learnt, your experience and how it applies to your role. In particular consider:

1. What did you learn (or confirm) from the activity that was helpful or relevant to your daily work and patients?
2. Did you identify any changes/updates needed in your daily work? If so please give details.
3. How will you make these changes and by when?
4. How can you demonstrate that you have implemented these changes as a result of the course?
5. If you didn't identify any changes needed, what did the activity confirm for you, that you may already know or be doing?
6. What was the benefit to your work and/or your patients in carrying out this activity?
7. Do you feel that the activity met the General Dental Council's ECPD development outcomes? If not, please explain why.
8. Any other comments, thoughts or feelings?

Finance

ES top tips - bridges, postcrowns, consent, photography, endo

Photography - positioning, and adjusting diff settings on DSR's

Post crowns - discussed factors affecting success> occlusion, RCT, Width+length of post, ferrule

Finance > how DF salary is paid and how tax codes work

Consent - importance of communication

Endo - how to identify difficulty of RCT and when to refer

Bridges > success of diff types of bridges

Applies to everyday treatment

Better treatment outcomes, improved confidence, less vulnerable to litigation with consent

It is important that you keep this certificate for your records - the General Dental Council (GDC) may request details of the courses you have attended. Please complete the reflection questions to comply with the GDC verifiable requirements.
