Course Aims

Oral Cancer : To review oral cancer surveillance, what to do if you suspect oral cancer, summarise the oral cancer pathway and likely follow up.

Highlight the aetiology, presentation, management of HANC and the role of the wider dental team.

Saving Smiles: To review management of dental trauma in primary care.

Course Objectives

Oral Cancer: To update and reinforce the dental teams knowledge of the assessment and management of oral cancer patients.

Provide delegates with an insight into the aetiology, presentation, management and rehabilitation of HANC and the role of the wider dental team.

Saving Smiles: To improve the understanding of diagnosis, management and long term consequences of dento alveolar trauma

We confirm that the activity has been quality assured by HEE and that it meets the GDC's educational criteria for verifiable ECPD. This record is full and accurate.

Reflection

Reflection is an important part of CPD and should form part of your personal development plan (PDP). Please use this page to reflect on what you have learnt, your experience and how it applies to your role. In particular consider:

1. What did you learn (or confirm) from the activity that was helpful or relevant to your daily work and patients?
2. Did you identify any changes/updates needed in your daily work? If so please give details.
3. How will you make these changes and by when?
4. How can you demonstrate that you have implemented these changes as a result of the course?
5. If you didn't identify any changes needed, what did the activity confirm for you, that you may already know or be doing?
6. What was the benefit to your work and/or your patients in carrying out this activity?
7. Do you feel that the activity met the General Dental Council's ECPD development outcomes? If not, please explain why.
8. Any other comments, thoughts or feelings?

It is important that you keep this certificate for your records - the General Dental Council (GDC) may request details of the courses you have attended. Please complete the reflection questions to comply with the GDC verifiable requirements.
