

Certificate of Attendance

Delegate Name Kishan Mistry

GDC Number 277250

Course

Course Title DFT All Schemes - The Final Study Day (NW20190628FALLN)

Course Date 28 June 2019

Course Venue Manchester Central Convention Centre, Manchester

Development Outcomes A, B, C, D

Verifiable CPD Hours 3

Certificate Issued By HEE - North West

Certificate ID HEENW062886

Course Aims

WWI and dentistry-can't bite can't fight - Margaret Wilson

The lecture will consider the implications of oral health care and dental treatment particularly in relation to the end of WWI and 70+ years of the NHS

Digital Dentistry - Ashley Byrne

To demonstrate the benefits of digital work flow to the patient and the clinician. To show how digital improves planning, communication and helps reduce failure.

Resilience, leadership and empowerment - Elaine Powell

To have attendees comprehend that by having self-awareness be at the forefront of their consciousness and tools to utilise, they are able to work through any situation or challenge with power and resilience. They will present to their own personal power and invigorated with what is possible in life.

Course Objectives

WWI and dentistry-can't bite can't fight - Margaret Wilson

To share and understand the importance of oral health to be fit for duty. The resilience required to provide care.

Digital Dentistry - Ashley Byrne

By using live documented cases and true outcomes to demonstrate the aims.

Resilience, leadership and empowerment - Elaine Powell

To have attendees comprehend that by having self-awareness be at the forefront of their consciousness and tools to utilise, they are able to work through any situation or challenge with power and resilience. They will present to their own personal power and invigorated with what is possible in life.

We confirm that the activity has been quality assured by HEE and that it meets the GDC's educational criteria for verifiable ECPD. This record is full and accurate.

Course Learning outcomes

WWI and dentistry-can't bite can't fight - Margaret Wilson

A greater understanding of the historic and continuing importance of oral health

Digital Dentistry - Ashley Byrne

The clinician will be able to use digital workflows with their lab to improve their restorative work.

Resilience, leadership and empowerment - Elaine Powell

Aware of the power of self-awareness, new tools to utilise when dealing with challenging situations and present to their power to live inside of what is possible.

Reflection

Reflection is an important part of CPD and should form part of your personal development plan (PDP). Please use this page to reflect on what you have learnt, your experience and how it applies to your role. In particular consider:

1. What did you learn (or confirm) from the activity that was helpful or relevant to your daily work and patients?
2. Did you identify any changes/updates needed in your daily work? If so please give details.
3. How will you make these changes and by when?
4. How can you demonstrate that you have implemented these changes as a result of the course?
5. If you didn't identify any changes needed, what did the activity confirm for you, that you may already know or be doing?
6. What was the benefit to your work and/or your patients in carrying out this activity?
7. Do you feel that the activity met the General Dental Council's ECPD development outcomes? If not, please explain why.
8. Any other comments, thoughts or feelings?

It is important that you keep this certificate for your records - the General Dental Council (GDC) may request details of the courses you have attended. Please complete the reflection questions to comply with the GDC verifiable requirements.
